

**NOTICE FROM
LESLIE CONTROLS, INC. ASBESTOS PERSONAL INJURY TRUST**

NOVEMBER 5, 2021

Pursuant to the COVID-19 policies adopted by the Leslie Controls, Inc. Asbestos Personal Injury Trust (the “Trust”), certain deadlines imposed by the Leslie Controls, Inc. Asbestos Personal Injury Trust Distribution Procedures (“TDP”), Trust policy or procedures were tolled from March 23, 2020 through November 5, 2021. Please be advised that the Trust has determined to further extend the deadlines to January 3, 2022.

With the widespread availability of the vaccine and business resuming, please take notice that on January 4, 2022, the deadlines imposed by the TDP, Trust policy or procedures will no longer be tolled. Accordingly, on January 4, 2022, the deadlines imposed by the TDP, Trust policy or procedures will resume, with any deadline which had been tolled and which would otherwise expire within 14 days of the end of the tolling period, extended up to and including the 14th day after the expiration of the tolling period.

Please take further notice that the Trust adopts the following policies:

The Trust waives any requirement that a document submitted to the Trust be notarized. Documents may be submitted to the Trust without notarization as provided below.

Documents provided without notarization must contain unsworn declaration under penalty of perjury language. See 28 USC Section 1746. The declaration should include language substantially similar to the following:

“I declare (or certify, verify, or state) under penalty of perjury under the laws of the United States of America that the foregoing is true and correct.”

Provided the claimant’s law firm has entered an electronic filer agreement with the Trust and MFR Claims Processing Inc. (“MFR”), the Trust will accept documents signed by DocuSign or by another commercially reasonable e-signature program. Claimants’ law firms should coordinate submission of documents signed by DocuSign or by another commercially reasonable e-signature program with MFR.
